Artisanal Cookies, Cakes & More

## Cakes

---

### Lime Pavlova

A marshmallowy meringue bed topped with layers of sunshine-hued lime curd and whipped cream crowned with toasted almond slivers. We challenge you to stop at one serving.  
Gluten-free.

Rs 3200

### Sticky Toffee Pudding with Toffee Sauce

This is something that Hobsbawm would call an 'Invention of Tradition'. It has the mild sweetness of dates, the magic of bittersweet black treacle, and the richness only butter can provide. Served with a thick toffee sauce that justifies whatever you mean by a cheat day.

Rs 2200

### Chocolate Almond Olive Oil Cake

Light, squidgy, and melts in the mouth. And, if you are looking for an explanation, we have that handy—it is dairy and gluten free.

Rs 2250

### Lemon Tendercake with Blueberry Compote

Who adds coconut milk to a cake? We do! The texture is velvety and light. The blueberry compote on a bed of coconut yogurt icing is the metaphoric cherry on top. Gluten-free.

Rs 2400

### Apricot Almond Cake with Rosewater and Cardamom

This is one of those cakes that has everything—flavor, fragrance, and charm. Who says healthy has to be boring? Dairy and gluten free.

Rs 2400

### Orange Poppy Seeds Cake with Orange Yogurt Frosting

A tender orange-scented cake speckled with poppy seeds, finished with a light yogurt frosting and a scatter of pistachio and candied orange. Bright, balanced, and quietly comforting.

Rs 2100

### When-You-Are-Craving-Christmas Cake

This is our signature preparation and takes months to prepare for. A very dense cake with hints of orange zest, rum, and hand-ground spices. It is one of those cakes you'd like to gift to your dear ones. Also, you can store it for months under favourable conditions. Contains alcohol.

Rs 5200 per loaf

## Cookies and Shortbread

---

### Chocolate Orange Pistachio Shortbread

A delicate crumb layered with bright citrus and mellow pistachios, finished with a silky pour of dark chocolate. It's a quiet escape into everything comforting — like dusk settling over a kitchen where the oven's still warm and time moves just a little slower.

Rs 2800 per kg

### **Matcha Black-Sesame Shortbread**

A graceful balance of vibrant matcha and nutty black sesame, crafted into a softly crisp cookie that's as beautiful as it is distinctive. With its delicate flavors and serene, earthy notes, it's a quiet luxury to savor.

Rs 2400 per kg

### **Salted Double-Chocolate Chip Cookies**

Dark on dark. Slow to melt. Just enough salt to make you notice. Soft, deep, and quietly undone — for the moments that ask for nothing more.

Rs 130 per piece

### **Marbled Tahini Cookies**

Black and gold, folded into something far richer than it seems. Nutty, mellow, and just a touch savory, with a swirl of flavors that linger long after the last bite. Unfussy, unexpected, and quietly complex.

Rs 2400 per kg

### **Chocolate Hazelnut Cookies**

A rich chocolate cookie with a crisp bite, a soft, indulgent hazelnut centre, and a generous finish of toasted hazelnuts. Deeply comforting, nut-forward, and made for chocolate lovers.

Rs 140 per piece

## **Granola**

---

### **Orange Walnut and Almond Granola**

Make it a white boy summer and pour some cold milk directly into a bowl full of our seed and nut-rich granola made with organic honey.

Rs 3000 per kg
